2014 issue 02 **RightStuf?**

Summer begins with some big news! *Sailor Moon* is returning to our shores in incredible DVD and Blu-ray/DVD combo packs starting this fall. As many of you know, this title was pulled from the market several years ago as the author was unhappy about how the show was originally treated. But Viz Media has worked out a deal to release the three feature films and all 200 TV episodes, including the never before seen *Sailor Stars* season. They've even licensed the new *Sailor Moon Crystal* anime, which is just now airing in Japan. More exciting is that the program is being released uncut and it will have a new dub with all of the original Japanese names, story, and relationships. Why a new dub, you ask? The original release was highly edited, so there's no way to align the original dub to the uncut video. Remastered and uncut, this is the announcement of the year. We will have the item posted on the website as soon as we can with additional details, so make sure to keep checking rightstuf.com and sign up for our mailing list!

Another great license rescue this year is *Cardcaptor Sakura*. This new release from NIS America will also feature uncut video and a different dub to match.

On our Nozomi and Lucky Penny labels, we will begin releasing Tsukasa Hojo's classic anime *Cat's Eye* this summer. The story follows the adventures of three sisters who are art thieves trying to collect all of their father's artwork. *Cat's Eye* has never seen a full release in the States, and we're excited to be able to bring this to you. Also coming this summer is *Sengoku Collection*, where famous historical Japanese figures are sucked into our world from a parallel dimension where they were all women. Anime Expo is rapidly approaching, and I'll have some exciting news to talk about for titles we're planning for the future.

Finally, this fall will see the conclusion to *Gundam Unicorn* on DVD. Find out how this series wraps up, along with over 30 minutes of bonus features!

Right Stuf turns 27 this July, and we continue in our efforts to serve anime and manga fans, even though some of them weren't even born when we started! I love interacting with customers, and I'll often pop up on forums and our social media channels. Make sure to check out our facebook and twitter pages, and become a fan today!

Have a great summer!

BEHIND THE SCENES AT RIGHT STUF, INC.

PART 1

WHAT'S A DAY LIKE FOR A RIGHT STUF EMPLOYEE WHEN YOU CLOCK IN?

Ariel F (Customer Care): After clocking in, I jump on the phones and chat, then start working on responding to our customers' emails. We like to put a personal touch on all our correspondence so it is nice to be able to show our personalities when we are talking to our customers and responding to each email we receive.

Thane H (Production/Marketing): There's not really such a thing as a "typical day" for me. Some days I get artwork and product descriptions from our vendors to put on our website so customers know what they're paying for. Some days I shoot cheesy videos to promote one of our sales. Some days I edit the scripts for the latest show we're working on. But there is one thing I do every day, which is look around our forums online and on other anime fansites to see what our customers are excited and/or upset about. Our customers are a great resource for hearing about problems with products or enthusiasm about certain titles.

Aaron H (Warehouse): My work in the warehouse is pretty routine. We start the day processing orders for dealers that buy from us (for conventions or smaller stores), and then we process the orders for our customers. Occasionally there are some other projects at the end of the day, but mostly I make sure customers get what they pay for!

IS IT EASY DEALING WITH SUCH A PASSIONATE GROUP OF CUSTOMERS?

Here at Right Stuf, we get questions all the time about what it's like to work at an anime company. So we decided to dedicate part of our catalog to answering them! Naturally, we received quite a few questions – so many, in fact, that we had to split our Q&A into two parts! This issue, we answer your questions about some of our different job responsibilities and what our team does every day to keep our fans and customers happy and excited.

Thane: Oh, not always, but it's always important to remember that we wouldn't have a business if our customers weren't so passionate about anime and about supporting Right Stuf. If it means our customers are more enthusiastic about buying our products than the customers of other businesses, I consider that a good thing.

Ariel: It is very easy to deal with a passionate person when you are passionate yourself!

DOES KNOWING JAPANESE HELP WITH YOUR JOB?

Tim M (Production): Yes, knowledge of Japanese helps immensely! My role as Assistant Producer means that I not only edit scripts received from other translators, but I also translate some scripts myself. Using dictionaries and online resources can help, but knowing the nuances of the language, understanding cultural contexts, and having a firm grasp on grammar structures will give you better insight when translating. We certainly don't just throw things into Google Translate and hope for the best! Anime and manga stories can range from rather simple to incredibly complex, and you have to take many things into consideration. How do you deal with idioms and culture-specific expressions? How do you deal with references and allusions? How do you deal with different speech patterns? Understanding the language will help you appreciate the intricacies that go into the original script and also make you realize the hard work that goes into making a working subtitle for it (especially because you have a limited time to make it)!

HOW CLOSELY DOES EACH DEPARTMENT WORK WITH EACH OTHER?

Thane: It can depend on the department. Customer Care easily interacts with the most departments, as they work with the Warehouse team to make sure customers get the items they need, they get information about our products from Production and Marketing, they report issues to IT if a customer is having an issue on our website, and even more. But we have company-wide lunches and fun events together, so everybody pretty much knows everybody around here!

HOW CAN I GET A JOB AT RIGHT STUF?

Thane: While it helps to know and love anime, what matters most is that you can do the job. Some of our departments here require a college degree, some don't. You can always check our website to see if we have any open positions and what their specific requirements are. But you'd definitely need to be within driving distance of our headquarters in Grimes, Iowa, or be able to relocate.

WHAT IS THE MOST SATISFYING PART OF WORKING WITH RIGHT STUF?

Tim: The people are very friendly and it's easily the best work environment I've ever been in! I can chat with a coworker about *Pokémon* and then nerd out over what shows we want to work on!

Aaron: I love that my job is related to things I'm interested

in and am excited about! Not everyone can say that about their jobs.

Jessica: Helping the customers! It very satisfying when we make our customers happy!

Thane: This might be a harder question than what my favorite anime is, honestly! I love the people I work with, I love that I get to work with anime, I love that I can work creatively, I love interacting with customers and fans on our forums, and I love that I get paid to do all that and more.

Ariel: I love that this is a smaller company, everyone knows each other and we have team building activities and lunches together. I don't feel like just another cog in the machine working here at Right Stuf like I have at other companies, I feel like part of a family!

That's all we have room for this issue, but we know you still have more questions. In our next catalog, we'll answer your questions about the general company work environment and some of the perks of being a Right Stuf employee!

AH MY BUDDHA!!

Sixteen-year-old Ikku Satonaka has raging hormones that make every other boy's look simply weak in comparison. When he gets turned on, he's literally turned into a super-powerful Buddhist monk capable of vanquishing the most evil of spirits! Ikku's parents send him to the Saenji Temple to train to become a proper monk under the watchful eye of his grandmother. One of his first challenges is to learn to control his lusty desires - but that's easier said than done when he's surrounded by a bevy of beautiful nun trainees who keep losing their clothes! Can Ikku pull himself together, or will his pervy nature win out?

AMNESIA

She wakes in the hospital, with no knowledge of how she got there or memory of who she was. People she doesn't know come to visit her, but only the one whom no one else can see, the spirit boy who calls himself Olion, seems to understand what has happened to her, and he tells her not to let anyone know of her amnesia. As the Heroine struggles to recall her past and connect the random recollections in her mind to form memories, one thing seems sure: time is no longer a constant, and the date of August 1st - the day she keeps waking up in the hospital - is somehow significant. So are each of the people she meets, though the stories that link her to them seem to shift like sands in an empty hourglass.

FROM THE NEW WORLD

From the New World is an exciting and refreshing anime. I really enjoyed the complex and thought provoking plot. At times the story can be a little confusing, but once you start putting the pieces together everything starts to make sense. I loved that you could never predict what was going to happen next. If you are into dark and thought provoking anime, then From the New World is the perfect anime for you.

CAT'S EYE

Cat's Eye is the most notorious group of art thieves in Japan. No one knows their identities, but the mystery only heightens their allure. To bumbling detective Utsumi Toshio, Cat's Eye is a colossal pain in the neck. They outwit him and the rest of the police at every turn, making them look ridiculous. He would never dream of being in love with someone in Cat's Eye. Except he already is. Toshio has no idea that Cat's Eye is actually his girlfriend, Hitomi, and her sisters Rui and Ai. Running the Cat's Eye Cafe next door to the police station, they bring "hiding in plain sight" to a whole new level. But thievery and romance are difficult to balance. Hitomi will need all the help she can get to stop Toshio from discovering her identity - especially when he starts having feelings for her alter-ego!

Being passionate and so enthusiastic about something you love is one thing, but Aki takes that to a whole other level when it comes to building robots. Building them is what she lives for and her passion for them is so strong, it can't help but to rub off on those around her. Designing, building and fighting them is a large part of the series but along the way, many other strange and wonderful things happen. I will certainly recommend this series to my friends.

ATTACK ON TITAN

There's a reason this anime has gotten so much enthusiasm: Attack on Titan does not pull its punches. The show gets right in your face with the immediacy and horror of the situation. You're hooked in right away as you bond with young Eren, Mikasa, and others. Fully exploring the desperate and frightened state humanity has been reduced to, you grow as angry at the relentless, unfeeling Titans as the characters do by the end of the first few episodes. Wrapped in mystery without feeling unnecessarily complicated, Attack on Titan is packed with compelling characters, gorgeous action sequences, and striking imagery of horror, tragedy, and determination.

When their village was wiped out five years ago, there were only three young survivors: boys Shino Inuzuka and Sosuke Inukawa and the girl Hamaji. Through a quirk of fate, both boys share the same peony-shaped birthmark. Genpachi Inukai and Kobunjo Inuta were raised hundreds of miles away as foster brothers, but they too share the same birthmark. When they went north as part of the army three years ago, they went to confront demons and came back forever transformed. Now the Imperial Church has been for Shino and Sosuke and they must find eight mystical gems and their owners or face a fate worse than death at the hands of the Church.

HENTAI PRINCE
AND THE STONY CAT

Koto is a total pervert, but he doesn't think that's a problem. What bothers him is that every time he tries to bluff his way through one of his indiscretions, his inability to drop his emotionless facade inevitably digs him in even deeper. Tsukiko also has an issue and wants to get rid of her childish habit of blurting out whatever she happens to be thinking. When they learn about a statue of a cat that can take away a single personality trait, they're both eager to try it out. However, what neither of them realizes until it's too late is that the cat gives it to somebody else! Now Koto can't keep himself from saying exactly what's on his mind, while Tsukiko has picked up a complete inability to display emotion!

HIGH SCHOOL XDD

A war between heaven and hell is raging - and a hot mess of hormonal fury is raging in Issel's pants. The guy is dying to get some action. Which is funny, since his first date ever turns into a winged monster and tries to kill him. Fortunately, Rias comes to his rescue. She's president of The Occult Research Club, a club that doesn't actually research the occult - they ARE the occult. Rias takes Issel as a more-than-willing slave and begins training him to use magic in battle. If Issel can improve his skills, he'll be able to help his hotter-than-hell master and her scorching supernatural friends defeat their foes.

NATSUME'S BOOK OF FRIENDS

Because he inherited his grandmother Reiko's ability to see yokai, Natsume has always been an outcast. After moving to his grandmother's hometown and accidentally releasing a yokai imprisoned in a Lucky Cat statue, he learns about one of Reiko's keepsakes, the "Book of Friends." Inside are the names of the yokai she defeated, and possessing it allows the wielder to command the yokai named within. Yokai now visit Natsume on a daily basis, seeking to either get their names back or to take possession of the Book of Friends.

STAFF PICK

FAIRY TAIL

Fairy Tail Collection 1 includes all of the episodes from Season 1 of the show, which had adapted the first 16 volumes of the manga series. One of the best shonen series currently out there, Fairy Tail has an amazingly diverse cast of characters, (fun fact: Erza is the best character), which makes it an engaging show on many levels. It's great to see characters grow and develop throughout the series, and many of them have interesting back stories.

TAMAKO MARKET

Tamako knows just about everything there is to know about mochi, the traditional Japanese dessert treat. When she's not attending her high school, she even invents new flavors and varieties for her family's mochi shop. School and growing up, on the other hand, are things that she's still trying to find the right recipe for. But with the help of her best friends, Tamako's determined to make the best of things. It's complicated though, especially when it comes to her relationship with her best boy friend Mochizo, whose family runs a rival shop.

TORADORA!

Ryuji is cursed with his father's threatening face and is labeled a "delinquent" because of it. Even though this makes it difficult for him to meet people, he is madly in love with Minorin, the one girl who does not flee from him in terror. Taiga is a notorious thothead with the nickname "Palm-top Tiger." She also happens to be Minorin's best friend, and what's more, she has a crush on Ryuji's closest friend. This unlikely duo strikes a tenuous agreement to assist one another in stealing the hearts of the ones they love. They will face many hurdles along the way, but perhaps true love is closer to them than they think.

ARAKAWA UNDER THE BRIDGE

Ko Ichinomiya was taught from birth never to be indebted to anyone, so he lives under a bridge saving his life, he's determined to pay her back - which results in him also living under the bridge, and meeting the large community of people (and one kappa) who make their homes off the grid. Arakawa genuinely laugh-out-loud funny, with a creative streak a mile wide and characters so well thought-out any serious drama would be lucky to have them - if they weren't, you know, gun-toting nuts and the aforementioned kappa.

FREQUENTLY ASKED QUESTIONS

ITEM LISTINGS

Ratings System

To benefit our customers, we have implemented a rating system for many of our products based on the manufacturer's suggested rating for each title.

N/R

Not yet rated.

ALL, 7+, 10+

Generally acceptable for children.
No nudity. Possible mild violence.

12+, 13+, 14+

Parental discretion advised. May contain violence, brief nudity, mature themes, and/or mild language. May suggest sexual situations, but no such situations are shown.

15+, 16+, 17+

Strong violence and explicit language. Nudity may be prevalent. Mild sexual situations may be shown.

18+

Extreme violence and/or explicit nudity. May contain sexually explicit material. Absolutely not for anyone under 18 years of age.

Please note: Right Stuff does not set ratings and is not responsible for errors, omissions, or inaccurate ratings. These ratings are guidelines only and are subject to change.

Runtime / Page Count

The listing for each item contains information detailing its approximate length. Depending on the manufacturer, this may or may not include extra bonus features, such as previews or forwards. An N/A indicates that the manufacturer has not provided this information at this time.

Edited / Uncut

Although many fans screech in horror at the very thought of altering the original Japanese version of a show, for a series to make it to American TV (or even into some retail stores), it is often edited. This can mean that scenes containing nudity, excessive violence, blood, and foul language are altered or even totally removed. Anime purists may want the original in all its glory, but parents of young TV viewers do not. Manufacturers recognize this and sometimes release both the Edited (TV) and the Uncut (original) versions of the show.

DUB ONLY? SUB ONLY?

Although DVDs and Blu-ray discs allow for the possibility of multiple languages, it's not always possible to produce a title for dual-language release. So, you end up with manufacturers releasing discs that are Subtitled Only (SUB ONLY) or English Dubbed Only (DUB ONLY). Subtitled discs display the dialogue on the bottom of the screen while the actual voices are still in Japanese. Dubbed means the music is (probably) intact, but the voices have been redone in English. If we are aware that a title is dub or sub only, it will be noted as such in the product listing.

Release Dates

If an item has not yet been released at the time of this catalog's printing, you may see a release date listed. However, manufacturers can (and often do) change these dates due to production delays. If you are pre-ordering an item and are concerned whether it's on schedule, please feel free to check the release date on our online store or to contact our friendly Customer Care representatives.

OVA (OAV)

OVA stands for Original Video Animation. Basically, this means it is a direct-to-video release.

Special Collections

Certain DVD and Blu-ray items are marked with names such as "Anime Classics," "S.A.V.E. Edition," etc. These are re-releases of the original discs at lower prices.

However, these editions may or may not include all of the features that were found on the original releases. If you are concerned that the item you are considering may not contain the features that you want, please check the item's listing through our online store or feel free to contact Customer Care.

Missing Volumes

You may notice volume gaps in our printed catalog listings. This is not necessarily because the products aren't available, but merely because we couldn't fit every item into the printed catalog. If you are looking for a certain volume, please feel free to contact Customer Care or check our online store.

Omnibus Editions

An omnibus collects two to four "regular" volumes into one book. Omnibus volume numbers don't always match the regular volume numbers.

Print on Demand (POD)

Some books are marked "Print On Demand." This means they are part of the Right Stuff Print on Demand program and are printed to meet orders. The paper quality used is higher than that of "regular" manga, but they may take extra time to ship if we do not have any copies already in stock.

DVD-R

These are DVDs printed to order by the manufacturer. They will play in DVD players that play regular DVDs. Depending on the manufacturer, they may or may not feature artwork on the top of the discs.

DVD/BLU-RAY SPECIFIC

Can my DVD play in a Playstation / Xbox / personal computer?

It depends on the DVD. There have been instances of some DVDs having difficulty playing in certain players. While the vast majority of DVDs will work just fine, we cannot guarantee all DVDs will play correctly on your Playstation, Xbox, or personal computer.

Will a Blu-ray disc play in my regular DVD player?

Just as CDs and DVDs require different types of players, so do DVDs and Blu-ray discs. In order to play a Blu-ray disc, you must have a Blu-ray player or a device capable of playing a Blu-ray disc.

Will a DVD play in my Blu-ray player?

While some Blu-ray players will also read DVDs, not all do. We cannot guarantee that all DVDs will play in your Blu-ray player.

What is Region Coding?

Region coding is a geographical restriction for DVDs and Blu-ray discs. Since players are region specific, you need to make sure that the item you purchase is coded for the same region as your player. All DVDs and Blu-ray discs we sell are region coded for the United States.

What region is my player?

If you purchased your player from a retail outlet in the U.S., it should be Region 1 for DVD players or Region A for Blu-ray players. You can check the region coding on your player by looking for the region code symbol on the player's packaging.

DVD Region Codes:

- 0 Region Free
- 1 United States and Canada
- 2 Europe, Egypt, Arabia, Japan and South Africa
- 3 Korea, Thailand, Vietnam, Borneo and Indonesia
- 4 Australia, New Zealand, Mexico, the Caribbean and South America
- 5 India, Africa, Russia and former USSR countries
- 6 China

Blu-ray Region Codes:

- A The Americas, Korea, Japan and Southeast Asia
- B Europe, the Middle East, Africa, Australia and New Zealand
- C Russia, India, China and the rest of world

GENERAL

What's this "Got Anime" thing?

It's an easy way to get an additional discount on your favorite anime items. For a small yearly membership fee, you get additional discounts, newsletters, and members-only specials! Read more about the Got Anime Savings Club on page 3.

Memberships are non-transferable and are linked to the billing address of your account. If you move, please make sure to contact us with your new address so that we can update your membership information.

I saw this show that I think might have been anime. Do you have it?

If you can give us enough information, someone can usually identify the program. Please understand, though, that if you ask us about something where "there's a girl who's a magic user, a guy with a sword," and a villain who wants to take over the universe," there's a problem. This describes about half the films ever made. Also, knowing what a series or movie is doesn't necessarily mean that it's available in the U.S. as a licensed product, but it could be.

Why isn't (title here) available in the U.S.?

You might be surprised to find out how much anime is available in the U.S. Of the few titles that remain unlicensed, some titles have their rights disputed, some licensors want more money than a title can possibly generate in this market, and of course, some are currently in negotiation. With the exception of a few TV series (which are a different matter entirely, due to their length), this just about covers it. We do not sell bootlegged products.

Why don't you carry many imports?

Limited availability of imports and lack of timely distribution of such overseas items make it difficult to provide quality imports on a timely basis. As such, these items are generally only listed on our online store, so if you're looking for a particular item, please check our online store or contact Customer Care.

Why don't you have (title here) audio soundtrack from Japan?

See the previous question. You also might want to check our online store, since some titles are available domestically.

I really want to learn Japanese. What resources do you have?

We have many products to help our customers learn about Japan and the Japanese language! Whether you're just starting out or you're ready to move onto the next level, we carry the latest items to help you learn the Japanese language. These items are available on our online store, including everything from videos and textbooks to memory aids and intermediate readers.

Can I special order items that are not on the online store?

Simply put: if it isn't on our online store, we can't get it at the moment.

Do you carry adult products?

Since this catalog is delivered to anime fans of all ages, we've taken special precautions to ensure younger fans are not exposed to listings for products that contain adult situations or sexual content. Products of this nature have been placed in a special adult insert, and you will only receive it if you have ordered these products in the past.

If you would like to receive a printed copy of the adult section, you can send a written request to:

Will I get your next catalog?

If you've ordered something from us in the last 6 months, you will automatically receive the new catalog when it is shipped. If not, you may find that you'll stop receiving catalogs, and you will have to send us the current catalog fee to reactivate.

Why do you charge for your catalog?

In order to keep producing a printed catalog, we have to charge a small fee for it. However, you can get your money back by using the \$4-off coupon on page 2!

Can I opt out of receiving your printed catalog?

Absolutely! Please call or email our friendly Customer Care representatives and they will be able to assist you.

Privacy Policy

Right Stuf does not sell or share any personal information you may provide. This information is collected only to contact you should a problem arise with your order.

COUPONS

Can I use my coupons online?

Yes, you can. Simply use the coupon code that is on your coupon when you place your online order.

How many coupons can I use?

You can only use one coupon per order, and some coupons can only be used one time per customer. Some coupons can also only be used through our online store. This is generally due to specific date or manufacturer requirements, which cannot be imposed on mail-in orders. Please review the coupon restrictions to see if it can be applied to your order.

MAIL-IN ORDERS

I want to your online store to order, but I don't have a credit card. Help!

Should you prefer to use the online store to select

items, you can actually use it to place an order by mail! Simply select all of the items you want and place them in your cart. When you proceed to checkout, make sure to choose the "faxed or mailed order" option. This will generate a printed form with everything already added up for you (no more calculators!). Just print this form and mail it in with your payment.

Although you can use the online store to generate your order, nothing will be recorded by our system, so make sure that you don't lose your form or you'll have to re-enter everything all over again! Online coupons are not valid on mail-in orders.

Why do you hold my order for 12 days when I pay by check?

Even with all this cool technology, checks can still require at least 12 days to clear.

What's this NSF charge?

"Non-Sufficient Funds" means that your check bounced. There is a \$25 charge for all returned checks. Once you have bounced a check, all further orders must be paid for by either credit card or money order.

Do I need to add sales tax?

Only if you're shipping to an Iowa address.

PAYMENT METHODS

Do you take VISA / MasterCard / Discover / American Express?

Yes to all. About the only plastic that we don't take are standard ATM and gasoline cards. If you're paying by credit card, we may contact you to obtain additional details for security purposes. Shipment may be delayed until we have received the information necessary to complete your order.

If I order using a credit card, when do you charge it?

Credit cards (by law in our state, actually) get charged only when the product actually ships.

Can I pay by check / money order / COD?

We accept domestic (U.S.) checks and money orders in U.S. funds. Please make all checks/money orders payable to Right Stuf, Inc. All checks require at least 12 days to clear our bank. Sorry, no CODs. PLEASE DO NOT SEND CASH THROUGH THE MAIL!

Can I pay with my PayPal account?

Sorry, we do not accept PayPal at this time, but we do accept the PayPal Mastercard.

SHIPPING CHARGES

If you are shipping to a U.S. address and your order exceeds \$49 (before freight), then economy shipping is FREE!

Shipping Options

Economy: 4-14 Days.

\$3.49 for first item + \$1 each additional item.

Expedited: 2-5 Days.

\$6.49 for first item + \$1 each additional item.

How much is shipping for box sets?

Box sets are considered a single item for shipping purposes.

I'm not at home during the day. Can you ship to my office?

Certainly. In fact, we prefer to do this to ensure that you actually receive your order. We require that you include the business' name in the address so your delivery person can get your package to you. If your package is returned to us, we will charge you an additional shipment fee to reship it.

SHIPPING TIME

Can I get a shipping confirmation sent to me?

Shipping confirmations are sent via email to the email address provided on the order form. Please make sure to write your email address as clearly as possible.

How long will it take to ship my order?

From the time we receive your order, standard processing time is 1-2 days if all of the items on your order are in stock. If some of the items on your order are backordered, it takes an average of 10-14 business days for us to receive these items from the manufacturer and this may cause a delay in the shipment of your order. Once all of your items are in stock, your order will be shipped via your selected shipment method.

How long will an item be out of stock?

With a few exceptions, item delays can be measured in days. There are some freak delays, but 10-14 business days is pretty typical. However, please keep in mind that some items are directly imported from Japan and may be in short supply even there. Should the manufacturer or the Japanese vendor be out of stock at the time of our re-supply order with them, it may be a bit longer. We keep thousands of items in stock, and our computer system automatically adjusts stock levels based on demand.

I chose expedited shipping when placing my order, but it took 2 weeks to arrive. Why?

You must have ordered a product that we didn't have in stock at the time that we received your order. If an item is out of stock when we receive your order, we still ship it out by express delivery when we receive it from the manufacturer.

Do you do split shipments?

We may, at our option, ship your order in multiple shipments. Please note that, in general, only shipments using economy shipping will receive partial shipments. Due to increased transportation costs, orders shipping by expedited shipping may be held until the order is complete. You may request a shipment of in-stock items at any time for an additional fee (based on the ship method you have selected) by contacting Customer Care.

RETURNING MERCHANDISE

When I got my item, it was defective. What can I do?

If your merchandise is defective due to a flaw in manufacturing, we are more than happy to replace it. Unopened DVDs and Blu-ray discs can be returned for Right Stuf store credit (or in the case of credit cards, refunded to the issuing card).

All returns/refunds must be processed within 90 days (120 days if you are a Got Anime member) of the date on your purchase invoice. If you need to complete a return/refund, please obtain a return authorization number from Customer Care at 1-800-338-6827, or utilize our online return request form at: www.rightstuf.com/requestform

Products returned without a return authorization number, or those over 90 days (120 days for Got Anime members) past the invoice date, will be returned to the customer at our option.

Do I have to pay shipping to return a product?

Yes, but we will pay the shipping to send the replacement back to you. We suggest using the least expensive shipping method available that can be tracked. If you have accidentally been shipped an item that you did not order, we will reimburse your shipping costs to return the item to us.

The packaging said it would include (special item), but mine doesn't have it!

Unfortunately, we have no control over what manufacturers decide to place inside of their products. Sometimes the manufacturers do provide special extras, but we cannot guarantee that these items will be inside of the products that we receive. Should the item not be included, we suggest that you contact the manufacturer directly.

ALIVE

Alive is a collection of melancholy love stories saturated with sadness. Characters struggle to connect with one another but never quite succeed. They are essentially alone. A world that is dark and disturbing - suicide is constantly contemplated and feelings of guilt, inadequacy, and suppressed sexuality surface as identity itself becomes a terribly fragile thing. Seemingly mundane events twist with an unusual presence of the unreal as the psyche of ordinary people is explored. Depression, time and thought are redefined.

NISEKOI: FALSE LOVE

Nisekoi: False Love is a fun light read. The characters are very likable and have a lot of personality. The romantic in me loves the fact that everything leads back to a promise made between two childhood friends 10 years ago. However, at the same time I find it amusing that there are so many potential candidates. I haven't officially narrowed down my top couple yet, but my money is on Raku and Chitoge. I am excited to find out what happens next.

STAFF PICK

D. GRAY-MAN

Katsura Hoshino's D Gray-man manga series is an excellent choice for fans of shonen, with great action scenes, a dark and interesting story, and compelling characters. The beginning of the series, now packaged in a handy omnibus collection, shows young Allen Walker as he walks the path of an exorcist, in order to fight Akuma created by the evil Millennium Earl. The series is known for its darker tone, with themes of death and loss in many of the chapters.

D.GRAY-MAN

In a fictional 19th century England, Allen Walker is a 15-year-old boy who roams the Earth in search of Innocence, the mysterious substance used to create weapons that obliterate demons known as akuma. A born exorcist, Walker's primary anti-akuma weapon is the cross that's embossed on his red, disfigured left hand. Together with his fellow exorcists, Walker leads the battle against the Millennium Earl, an evil being out to destroy mankind.

GANTZ

The last thing Kei and Masaru remember was being struck dead by a subway train while saving the life of a drunken bum. What a waste! And yet, somehow, they're still... alive? Or semi-alive? Maybe it's reanimated... by some kind of alien orb with a nasty message: "Your lives are over. What you do with your new lives is up to me!" And what this orb called "Gantz" intends to do with their lives is make them play games of death.

MANGA DOGS

Kanna Tezuka is a serious 15-year-old manga artist, already being published as a pro. So when she finds out her high school is starting a manga drawing course, even she gets excited. But it's a fiasco! The teacher is useless, and the only other students - three pretty-boy artist wannabes - quickly adopt Kanna as their (unwilling) sensei. But all they have ridiculous delusions about being an artist, and if Kanna can't bring them back down to Earth, she'll never get any work done!

MAYO CHIKI!

Kinjiro Sakamachi is a "normal" seventeen-year-old boy who happens to suffer from an abnormal fear of women, otherwise known as gynophobia. A fateful visit to the school bathroom turns Kinjiro's world upside down, as he discovers the dashing and popular Konoe Subaru is actually a girl! What's worse, the principal's cruel and domineering daughter, Kanade Suzutsuki, has every reason to keep this secret from leaking out, and makes it her life's work to torment Kinjiro while attempting to cure his fear.

MELANCHOLY OF HARUHI SUZUMIYA

ORIGINAL SERIES

Kyon is your ordinary high school freshman who has long given up on his childhood dreams of encountering the fantastic and supernatural... or so he thought. From the very first day of school, his classmate - the beautiful but eccentric Haruhi Suzumiya - makes it very clear that her only desire is to meet aliens, time travelers, and psychics! A chance conversation between the two inspires Haruhi to form the SOS Brigade, a school club created for the sole purpose of getting these supernatural beings together - if she can find any.

MONSTER

Johan is a cold and calculating killer with a mysterious past, and brilliant Dr. Kenzo Tenma is the only one who can stop him! There's no way brilliant surgeon Kenzo Tenma could have known that his decision to stop chasing professional success and instead concentrate on his oath to save peoples' lives would result in the birth of an abomination. Years later, in Germany during the tumultuous post-reunification period, middle-aged childless couples are being killed one after another. The serial killer's identity is known. The reasons why

he kills are not. Dr. Tenma sets out on a journey to find the killer's twin sister, who may hold some clues to solving the enigma of the "Monster."

MONSTER MUSUME

Three years ago, the world learned that all manners of fabulous creatures are not merely fiction; they're real. Thanks to the "Cultural Exchange Between Species Act," these once-mythical creatures have assimilated into society, or at least, they're trying. When a hapless Kurusu Kimihito is inducted as a "volunteer" into the government exchange program, his world is turned upside down. A snake-like lama named Mlia comes to live with him, and it is Kurusu's job to make sure she integrates into his everyday life. Unfortunately for him, she's undeniably sexy, and the law against interspecies breeding is very strict. Even worse, when a ravishing centaur girl and a flirtatious harpy move in, what's a full-blooded teenage human with raging hormones to do?!

MONSTER SOUL

In the Monster Soul world, a war was waged between humans and monsters, with the monsters falling on the losing end of a treaty. Peace between the monsters and humans is tenuous and monsters are frequently persecuted by humans. As a result, monsters tend to stay away from humans and keep a low profile. One group of monsters, known as the Black Aps, lives with a purpose: to have fun and take care of each other. They get in to all kinds of trouble with reckless abandon, but as long as they stick together, they'll be all right... probably.

On the continent of Consume, an endless war rages between bitter rivals: the Segua Kingdom vs. the Ninteldo Empire. Upon his dinosaur steed, the stern Emperor Marcus has led the Ninteldo Empire to near-victory. Now, with the majority of Consume under its control, Ninteldo has Segua up against the ropes. Enter a fleet-footed lad named Gear, who seeks vengeance against Ninteldo for his brother's death. Yet the inexperienced, hasty youth may not be ready for the realities of war - or he might just become the Segua Empire's last and greatest hope.

CRAFTS

ALL-PURPOSE ORIGAMI

Origami, Japanese paper-folding, is a casual hobby for all-ages. While some projects have practical applications, most tend to be for aesthetic or entertainment purposes. All-Purpose Origami's patterns, on the other hand, are much more meaningful. The 75 projects compiled were crafted for the sole purpose of at-home use. Whether to be applied in the dining room for special occasions or for eco-friendly items around the office, these easy-to-follow patterns are designed to last and to look stylish for days and weeks

HELLO KITTY

HELLO 40: A 40TH ANNIVERSARY TRIBUTE

Forty years ago, Hello Kitty stepped on the scene, and she's had the world wrapped around her little red bow ever since. Here, some of her biggest fans pay tribute in the best way they know how: through story and art. From comic artists to muralists to toy creators, everyone has a tale to tell about the little girl who speaks from her heart.
